

GOVERNOR ARNOLD SCHWARZENEGGER

March 2010

### *Checkoff California Month*

As April 15th gets closer, it's important to remember that we can have a positive impact on our communities and those in need by "checking off" certain boxes on our tax returns.

While doing our taxes, Californians can give to worthy causes by marking the boxes of their choosing under the "contributions" section. Donations help fight cancer, prevent child abuse, protect seniors and support a host of other charitable endeavors. The people of our Golden State have contributed over \$89 million since this program began in 1984, and this generosity has made a real difference in the lives of many of our fellow Californians.

Thank you to those who promote Checkoff California Month and to all the kindhearted taxpayers who donate to charities through this program. I extend my gratitude and best wishes for the future.

Sincerely,

A handwritten signature in black ink, reading "Arnold Schwarzenegger".
